To: Yerington City Council

Regarding: Agenda Items

Please note that the item for business licenses is missing its numbering. The information for this can be found under #117 in the binder.

Also, for item #10: Presentation by Farr West Engineering on the Discussion of a Water/Sewer Utility Rates Study.

The Power point for this presentation was not ready at the time the packets were created. I will email to everyone as soon as I receive it and a hardcopy will be available for you at the meeting.

Respectfully,

Sheema D. Shaw

City Clerk
