Letter of Interest for the position of City Council Member

November 12, 2021

Dear Mayor and City Council Members,

I would like to be considered to fill the open position of City Council Member, for the City of Yerington.

Yerington has been my home for my entire life, as I am a third-generation citizen of this great city and proud to call it home. I have worked many jobs in this area from agriculture to my current position as a K9 Sheriff Deputy for Lyon County; stationed in the Mason Valley area. My previous and current positions have helped me to understand Yerington and its citizens.

My wife and I along with our two young children live within the city limits and are active members of our community. We see and hear the issues that people bring up and with this current City Council Member opening, I see this as a great opportunity for someone who was raised, lives and works in this community to step up and make a difference.

In conclusion, I believe that working with the citizens of Yerington is an important job; my work, life experiences and my knowledge for this community would give me the keys to successful decision making. I know when citizens show up to council meetings, they not only want to be heard but they also want to see action as well. I look forward to discussing my qualifications for the position of City Council member.

Sincerely,

Matthew J. Galvin

YHS GRADUATE:

"I bleed purple & white!"

Hello all,

Experience, history and community/business involvement are the qualifications which I believe set me apart and make me a desirable candidate for the appointment to the Yerington City Council to fill out the term of Terciera Schunke.

In terms of "experience", I believe you most likely know I have served on the city council previously and was a two-term Yerington Mayor. Back in 1980, I was elected to the Lyon County School Board of Trustees where I served as chairman. "History" can be summed up in the 65 years that I have made this community (that I love) my home and my involvement in many areas of the community as well. As for my "business" background, I began as a "Printer's Devil" with the Mason Valley News as a family operation at the age of 8 and continued that career for another 45 years, eventually becoming publisher and owner. My "community involvement" is extensive as a member and past president of the local Chamber of Commerce, the local Lions Club and the Yerington Rotary Club plus my participation in coaching our youth at the Little League Baseball, Little League Softball, YIS girls and boys basketball, YHS softball. I served as treasurer for Mason Valley Youth Inc. for over 19 years; am a lifetime member of the Boys and Girls Clubs of Mason Valley, having served as treasurer for many years when the club first started here; served as director of the Men's Basketball League and Slo-Pitch Softball League. I could add to this list but feel this provides you with an overall view of my involvement in Yerington.

My family made a commitment to this community many years ago and I hope to continue to help and serve the residents of Yerington for some more years. My parents are buried in Valley View Cemetery along with my brother and my wife; and this is where I plan to be interred as well. This community and the people who live here have been very good to me over these many years, and I hope to give back as often and as much as I can.

Thank you for your consideration. I look forward to working with you to make Yerington the very best it can be.

Respectfully,

RE: Vacant City ~~Supervisor Position~~ ^{Council Position}

To Whom it May Concern:

My name is Frank Pizzo, and I am respectfully requesting consideration for the vacant City ~~Supervisor~~ ^{Council} position for the City of Yerington. I have had the privilege of calling Yerington home for 30 years and absolutely love our town. Although there are several areas of need in our town, I also believe that we have so much to be proud of too!

I am proud to say that I am a retired Law Enforcement officer of 28 years where I devoted a great deal of my life around public safety.

In recent years I have devoted myself into volunteering and giving back to the community I call home. I have volunteered with our local Yerington Food Bank for over 3 years. I quickly realized that there is a significant need for these services, with our low-income seniors, many of which are existing on a fixed income and a great deal of them homebound. I pride myself on being a small part of an amazing group of volunteers who truly make a difference.

In addition to the Food Bank, I also volunteer my time with the local Boys & Girls Club and their annual "Take a Kid to a Car Show" event. This is an area that has always been a passion of mine as I am a classic car enthusiast and staunch supporter of youth, a perfect pairing for me!

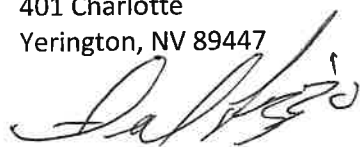

In closing, I genuinely love our town and the great people that call it home. I would love nothing more than to serve my community and work alongside the City Council and City Staff who have this same passion.

References available upon request and happy to provide.

Thank you for your consideration and look forward to the opportunity to speak with you.

Respectfully,

Frank Pizzo

Dear Sheema,

I am writing in regards to an opening on the City Counsel.

I have lived in Yerington since July of 2018. I have been a resident of Nevada since 1980.

I am retired, and thought sitting on the Counsel would be a good way to learn about our community and the city.

Warm Regards,
